

Company profile

Brand enhancement through innovative dispensing

Headquartered in Helmond, The Netherlands.

Afa is a leading developer and a global supplier of technology-rich, liquid dispensing products, and is the preferred supplier of many of the top brands in home and garden care, food, beverage and other packaged goods.

Afa's trigger sprayers are the most advanced, effective and efficient sprayer systems in today's market. Our patented pre-compression technology is the basis for our premium line of sprayers.

Flairosol delivers a better-than-aerosol spray quality that sets brands apart. It's a next generation trigger-based dispensing technology that eschews conventional propellant gases and pressurized containers. The product is also completely isolated, which means a superior overall product experience is achieved.
